SkeWood – wood research

SweBrec

Tribolab

The northernmost University of Technology in Scandinavia
Top-class Research and Education

LULEÅ UNIVERSITY OF TECHNOLOGY

LTU Research & Development centers

- Agricola
- Hjalmar Lundbohm Research Center
- JvtC
- Mimer
- Process-IT Innovations
- Promote
- Swebrec

The northernmost University of Technology in Scandinavia
Top-class Research and Education

LULEÅ UNIVERSITY OF TECHNOLOGY

LTU Research & Development centers

- **Agricola**
Surface properties of mineral particles
- **Hjalmar Lundbohm Research Center**
Mining – Enrichment, Particle Technology, Metallurgy and Process IT
- **JvtC**
Development of operation and maintenance within the railway sector
- **Mimer**
Recycling and reuse of waste products from the mineral and metal industry

The northernmost University of Technology in Scandinavia
Top-class Research and Education

LULEÅ UNIVERSITY OF TECHNOLOGY

LTU Research & Development centers

- **Process-IT Innovations**
Develop IT for the process industry
- **Promote**
Management of innovation and technology in the process industry
- **Swebrec**
How to use explosives in rock

The northernmost University of Technology in Scandinavia
Top-class Research and Education
